

## The Lord's Supper Part 2

What Is It We Receive

Processing Discussion

If you are new to Trinity's family of faith please follow up this video with a conversation. Contact your site's pastor and reflect on these as starting points:

Share your experience with the Lord's Supper other than at Trinity.

Be ready to raise your questions about the Lutheran "Yes to both!" perspective of the bread and wine elements of the Lord's Supper.

Discuss the importance of unity of mind for the congregation of believers celebrating together.

Do you use any practices of discernment or preparation for your participation in the Lord's Supper?
