Processing Discussion

To help your processing, here are some things for you to reflect on after watching the Baptism video. Contact the Pastor of your Trinity Site, your Small Group Leader, your Discippler, or your Coach to pursue further conversation.

How have you seen God's "arrow" reach toward you in your life?

If you have not yet received the gift of baptism, what is holding you back?

Describe the current and constant nature and experience of your baptism as you journey to be more like Jesus.

Pastor Mark used these texts from God's Word:

Matthew 28:19,20 ;

Acts 2:38,39;

Titus 3:5;

1 Peter 3:21;

Romans 6:3,4,11.

Explore them more closely on your own or with your small group, Discippler, or Coach. Bring the question(s) you have to the discussion.
